

# **Submarine Regatta 2011**

## **Central Coast**

**Queen's Birthday Weekend**

**Saturday 11th-Sunday 12th June 2011**

## **A BRAND NEW EVENT!**

**Triple S model boat club, in association with a small band of submarine-mad modellers, would like to extend you a very warm invitation to the first ever Central Coast Submarine Regatta. Perched adjacent to Brisbane Waters, as pictured, Gosford Swimming Pool promises to be an exciting and unique focal point for our regatta.**

**This new Submarine Regatta has been conceived to complement the existing Australian Submarine Regatta held every alternate year in the ACT. Being held in the 'off year' between Australian Sub Regattas, our aim is to provide another venue for model submariners to meet, sail and renew old friendships and acquaintances.**

# Here is what Gosford Pool has to offer...

- Exclusive use of a huge 50 metre Olympic-sized pool!. Lane ropes will be removed and the pool will be reserved for our exclusive use on both Saturday and Sunday of the regatta. Plenty of room to throttle up and sail...
- Plenty of sheltered bench space to set up models
- A large sheltered sports stand adjacent to the pool in the event of rain, and buildings that surround the pool on three sides, providing some wind protection.
- Several indoor pools as potential alternatives should weather be unfavourable for outdoor operations
- Kiosk is present on-site at the pool.
- Indoor meeting area available for Saturday evening gathering (see timetable)
- Thanks to Triple S model boat club's insurance, and the Pool Operator's and Council's consent, missile and torpedo launches will be permitted\*.
- Regatta Registration fee will be \$50. We propose to use registration fees to fully cover, or at least heavily subsidise the cost of the Saturday night meal (this will depend on registration numbers).

\* subject to appropriate safety precautions. Please also note that Gosford Council will not permit pyrotechnics to be used at the pool.

## **Rough guide – Regatta Timetable**

- 0900 hours Saturday 11/06/11  
Registration, followed by sailing from 0930 hrs
- 1700 - 1800 hours Saturday  
Proposed Twilight sail (dependent on registration numbers)
- 1830hrs – 2030 hrs Saturday  
Tea/evening gathering
- 0900 hrs – 1600 hrs – Sunday  
More sailing!

## **More Information? Ideas or Suggestions?**

This is a new event (and our first time hosting this type of enterprise!) and we would appreciate your interest, feedback and ideas

The costs involved in hiring a large pool for two days are significant. The success of this event depends on registering enough people to be able to meet those costs. We need your support and attendance.
