# It's That Time Again !

The Triple "S" Model Boat Group invites all model submarine enthusiasts to join us for a great weekend of sailing and friendship this September/October 2017.

Our biennial Central Coast SubRegatta will again be held at the Gosford Olympic Pool on beautiful Brisbane Waters.

For those who haven't been to the Gosford Pool before, we have:

- ◆ Exclusive use of the huge, 50 metre Olympic-sized outdoor pool for both days! Lane ropes will be removed, giving us heaps of room (and depth to 2m) to throttle up and dive.
- ◆ Plenty of sheltered bench space to set up models – tables & power provided.
- ◆ Parking with wide gate access available adjacent to benches to ease unloading.
- ◆ Large, sheltered stands adjacent to the pool providing an excellent, elevated platform for sailing while protected from sun and rain.
- ◆ Submarine torpedo & missile launches allowed as per SSS insurance, however no pyrotechnics (explosives) are permitted due to Gosford Council regulations.
- ◆ On-site kiosk with hot food, snacks & drinks.
