

Task Force 72 Fleet Base Greater Sydney and Navy Arvo invite you to the 72nd Scale Rimpac 2019 Exercise at the Hubertus Club's Lake

RIMPAC, the Rim of the Pacific Exercise, is the world's largest international maritime warfare exercise.

RIMPAC involves forces from Australia, Canada, New Zealand, the United Kingdom, the United States, Chile, Colombia, France, Indonesia, Japan, Malaysia, the Netherlands, Peru, Singapore, South Korea, Thailand, China, Ecuador, India, Mexico, the Philippines, and Russia

We believe this idea sits very nicely with what our 72nd scale modelling fraternity is all about, and having naval models from many nations will allow us to put on quite a display of small scale naval might / extraordinaire.

The day will be held on 2nd March 2019 commencing at 9.30am and will feature – Awards, BBQ lunch, plenty of sailing including a fleet sail past as shown above and a circumnavigation of the lake and the big island, finishing the day with drinks and dinner in the club for those wishing to stay around.

As this will require a little organising we would appreciate an “I’m Interested” This should be a great day and a real spectacle so come along and be involved!
